Foreword

Friends, fun, and work are all a worthwhile part of our lives. All three fashion the dreams of our hearts. Because we Seniors won friends, had fun, and worked hard, we have memories worth keeping.

Now we, the Senior Class, publish the second edition of the Davie County Clarion. We hope you, the reader, will enjoy the work and the fun--all happy memories--recorded on these pages.

Dedication

For his sincere interest in each student; for his keen sense of humor; for his perseverance and efforts in the many activities of the school; for his example of noble and upright ideals; for his wisdom in solving various problems; for his ability to inspire and challenge each student to do his best; and for his ambition to make Davie County Consolidated High School outstanding in scholarship, sportsmanship, and citizenship, we--the seniors of 1958--with respect, admiration, and appreciation, dedicate our annual to our principal--Mr. D. F. Stillwell.

Beta Club

The Beta Club is an eleemosynary, educational organization. It is a non-secret, leadership service club for high school students. Its purpose is to reward merit, encourage effort, and develop character. The Beta Club seeks to promote the ideals of American Democracy among its members. Its motto, "Let us lead by serving others," is a true indication of the spirit which motivates the National Organization, the local chapters, and individual members.

The requirements for membership are honorable character, good mentality, creditable achievement, commendable attitude, and the approval of the executive head of the school.

Band

The high school music program serves a manifold purpose, the educational objective being primary. The study and performance of music by the band and chorus develops mental activity, nerve and body control, by coordinating the eyes, ears, mind and muscles as no other subject can. Such study provides preparation for a vocation, etc.

courages worthy use of leisure time, and helps develop a spirit of cooperation and a sense of responsibility in the individual. It acquaints the student with a wide variety of good music and all the while enables both groups to provide entertainment at school and civic events.

Glee Club

Future Farmers of America

The Davie Chapter of Future Farmers of America is composed of 66 of the 130 boys studying Vocational Agriculture. In addition to the class study of the various farm enterprises including soil management, crops, and live-stock production, they each carry supervised farm programs on the farm. The aims of the F.F.A. are to develop competent, aggressive rural and agricultural leadership, to create and nurture a love of community life, to create more interest in an intelligent choice of farming, to encourage members in the development of individual farming programs and establishment in farming.

The French Club is designed to supplement the formal class instruction and to offer students the opportunity to use the French language in a more informal way than the classroom affords. Through the French Club we hope to attain an increased knowledge of France as a country, participate in oral conversation and skits in French, and to learn a number of French songs. It is one purpose also to create more interest, not only among those taking French, but the school as a whole, in studying a foreign language.

The purpose of the Dramatics Club is to learn the fundamentals of public speaking; become acquainted with the basic principles of acting; strive toward speech improvement; learn the various things connected with play production.

Dramatics Club

Photographic Club

The principle purpose of the Photographic Club is to help the members gain a basic understanding of photography. It is our purpose to learn the basic sciences involved in picture developing as well as some of the different methods of arranging the subjects. It is our hope that we can motivate students to take interest in a hobby that will provide them with many leisure hours of fun and recreation.

The F.T.A. Club's objectives are to acquaint students with the teaching profession and to encourage those with desired qualities and traits to enter this field. We hope through this organization that members will become better informed of the vocational opportunities in education and that they will begin now to prepare themselves for this work. We hope also to allow members some opportunity for actual observation and practice in the teaching of the subject of their choice. It is our desire to maintain high standards of scholarship and morals and render some service to the school.

Science Club

The Science Club assists its members in learning more about science. It gives a person who is interested in science a chance to develop the skills, talents, and aptitudes that he possesses. This club also gives its members a chance to prepare for careers and hobbies in a scientific field. The club also gives service to our school and community and helps everyone understand the importance of science in our lives.

Monogram Club

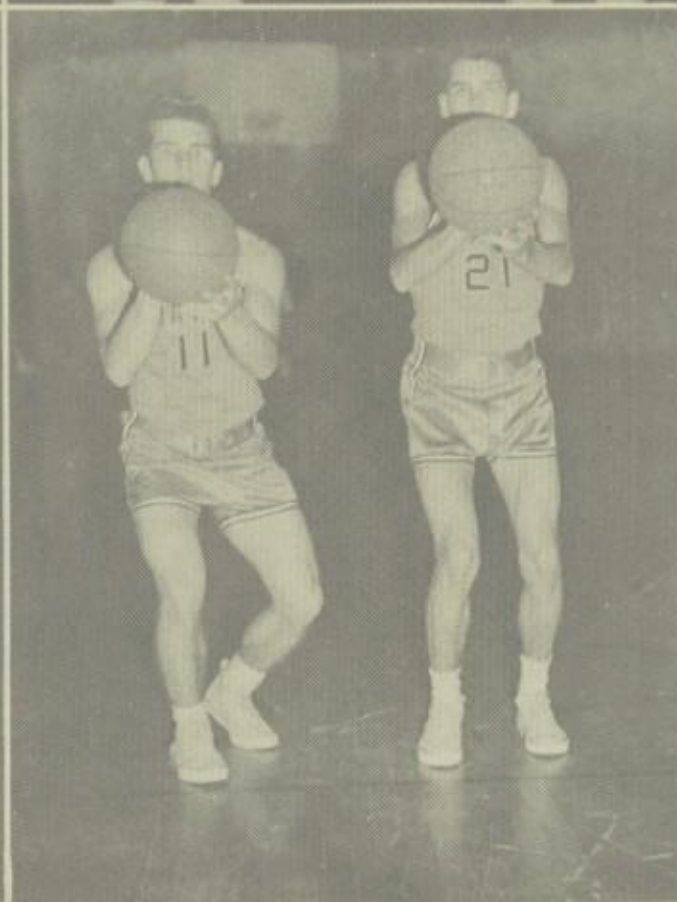

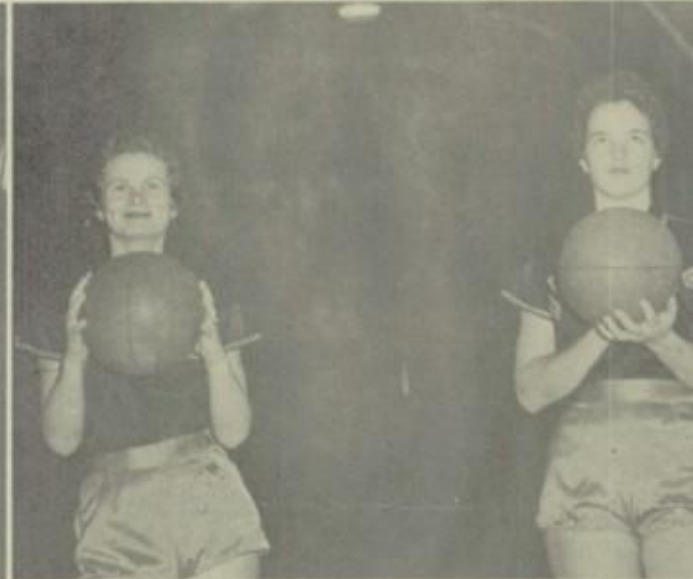

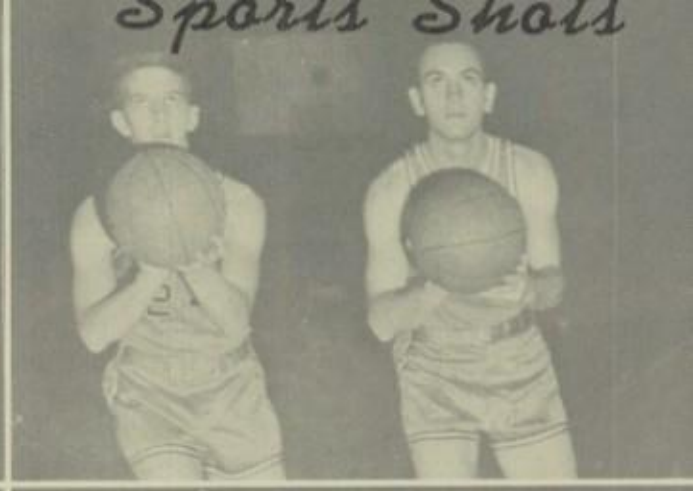

The Monogram Club is composed of members who have earned a varsity "D" in either basketball, football, baseball, and cheerleading. The purpose of this club is to promote and create interest in the athletic phase of the school. An invitation is presented to all eligible pupils and if they desire to become a member, they are accepted into the club.
